compliance@nicopure.com

Products were tested on 2/16/2019 in Van Nuys, California by:

CannaSafe
7027 Hayvenhurst Avenue
Van Nuys, CA 91406

A handwritten signature in black ink, appearing to read "J. Del Giudice", with a horizontal line extending to the right.

Jason Del Giudice
Chief Technology Officer

This is to certify that our products are produced with THC-free extracts from industrial hemp plant. This includes the mature stems and stalk of the plant. To the best of our knowledge, our industrial hemp biomass supply sourced from Colorado is grown under strict organic farming practices. HPLC and GC FID analysis confirms that our extracts from the industrial hemp biomass are free of residual solvents, heavy metals, microbial contaminants, pesticides, and mycotoxins.

Cannabinoid Profile & Potency

Analyte	Result	LOD	LOQ
THCa	Not Detected	0.00002	0.0001
